Dear Sirs,

This is becoming weirdly ridiculous....

I have now phoned several times, faxed twice and e-mailed twice over the past two weeks, in an effort to have your organization correct errors, which you have introduced into my details in the Status statement for the above application. It's a simple couple of things... a minute's work.

Please would you now attend to the following in some way?

On the Address/attorney pages of the status

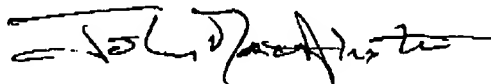

- My family name should be given as MacAlister.
- The second line of the address is wrong. Please correct it to Rookery Park, Yoxford (not Rockery)
- The GB zip-code has been omitted from the third line. This line of the address should read : Suffolk, IP17 3HQ, GB

As the various people to whom I have spoken, or e-mailed, have now expended much more effort in replying to tell me why they cannot change anything than the task itself would take, may I suggest that someone just gets this organized?

Please forward this to whoever IS supposed to correct your mistakes, with the request that it be done.

I would be grateful for an acknowledgement of receipt of this fax (my fax is : International + 44 1728 668 664. I have now spent a lot of money on the phone from England, GB, just to get this fixed. Please let me know if there is any procedure, paperwork or anything that needs done before you can correct this small thing.

Many thanks ..... and Seasons Greetings to you all
